Objection Letter to Builder / ATS

To,

The Authorized Signatory / Managing Director

M/s Hasta Infrastructure Pvt. Ltd. / ATS Realworth Pvt. Ltd.

Project: ATS Grandstand, Sector 99A, Gurugram, Haryana

Subject: Objection regarding suspected back-dated / after-created intimation letter dated 07.05.2026 — demand for proof of actual service and authenticity

Sir/Madam,

I am an allottee of Unit No. [3051] in the project “ATS Grandstand”, Sector 99A, Gurugram.

This is with reference to your alleged intimation letter titled “Intimation sent to allottee”, stated to be dated **07.05.2026**, regarding revision in the building plans of the project. The said letter refers to permission memo No. **ZP-938-II/SD(RD)/2026/1567** dated **04.05.2026** and calls upon the allottee to submit observations/consent by **05.06.2026**.

However, the enclosed digital record (jpeg file) shows that the PDF file titled “**5-Intimation sent to allottee.pdf**” was **created on 30.05.2026**, whereas the letter itself bears the date **07.05.2026**. This creates a serious and prima facie doubt that the said letter may have been back-dated, after-created, or not actually issued/served upon the allottee on or around **07.05.2026**.

If the said document was created only on **30.05.2026**, then the alleged last date of **05.06.2026** does not provide any meaningful 30-day period for objections/consent. Therefore, the said letter cannot be treated as valid notice, valid intimation, valid consent request, waiver, or no-objection from my side.

You are hereby called upon to provide the following within **3 days** from receipt of this letter:

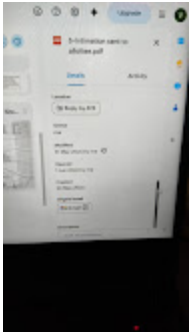

1. Proof of actual dispatch/service of the alleged letter dated **07.05.2026** upon me.
2. Email trail, postal receipt, courier receipt, delivery report, portal notification, SMS/WhatsApp record, or any other proof showing that the letter was actually served on or around **07.05.2026**.

Yours faithfully,
Vijyant Agarwal
