

Sr. no.	Complainant details	Objection raised by allottees	Reply of colonizer
	MR VIJAYANT AGARWAL (UNIT NO 3051), RECEIVED VIDE EMAIL DATED: 22.06.2026	The undersigned attended the STP hearing on 18.06.2026 on the revised building plan. The colonizer emailed the revised plan materials and comparative chart to the undersigned by email dated 30.05.2026 ; disclosure is accepted. Your office circulated the MOM on 19.06.2026 . This representation is without prejudice to pending HARERA execution and COD matters.	
		2. In the meeting, the Builder's representatives agreed to obey the HARERA order — furnishing an affidavit-cum-undertaking specific to Unit No., with the general affidavit dated 08.06.2026 .	Individual affidavit cum undertaking, stating that orders of RERA shall be adhered to, shall be provided latest by 26.06.2026. We have also invited all the complaints to have a meeting in our office on to resolve the pending issues, if any.
		3. From the enclosed colonizer's comparative chart (D3_Comparative_Chart.docx) emailed to the undersigned by the Builder on 30.05.2026 : main units increase from 522 to 734 ; ECS parking reduces from 999 to 957 ; open/green area reduces from 14,345.86 sqm to 10,934.25 sqm ; FAR/built intensity increases. This affects proportionate rights in common areas. These are substantive concerns only — not on non-supply of documents	A landscape plan submitted by colonizer in the meeting held on 18.06.2026 showing sanctioned green area of 10934sqm plus addition green such as green belt and other incidental greens measuring 8550sqm, total about 19484sqm which is more than the earlier approved green area. Adequate equivalent parking spaces have been provided as per TOD policy and HBC 2017. Changes are as per the prevailing TOD policy and HBC 2017.
		4. The MOM wrongly records that allottees were satisfied. For Unit No. 3051 , this is incorrect . Intimation and receipt of documents are accepted .	It may be corrected.

		5. Prayer. It is respectfully prayed that your good office may kindly take this representation on record on the revised building plan file, re-circulate a corrected or supplementary MOM on the STP hearing dated 18.06.2026, incorporating Supplement to MOM Item 3 as at 1 below, and mark on the revised building plan file as at 2 below:	
		1. The Builder's representatives agreed to comply with the HARERA order and to furnish an affidavit-cum-undertaking specific to Unit No. 3051, with the general joint affidavit dated 08.06.2026 tendered before DTCP.	Individual affidavit cum undertaking, stating that orders of RERA shall be adhered to, shall be provided latest by 26.06.2026.
		2. The allottee of Unit No. 3051, Tower No. 03, ATS Grandstand Phase-I, Sector 99A, Gurugram, is withholding consent at present to the revised building plan on FAR, density, parking, and green area. If the Builder complies with the HARERA order and furnishes an affidavit-cum-undertaking specific to Unit No. 3051, with the general affidavit dated 08.06.2026, the allottee will give consent on FAR, density, parking, and green area, subject to the precondition that the allottee reserves the right to adequate and proportionate compensation for prejudice caused by those planning changes.	The new plan has more green and open space, adequate parking spaces, EV parking arrangements, additional modern lifts added, latest NBC adopted for Fire safety services, switching station agreement for supply of power has been executed, enhancement of specification being done, proper access from dwarka expressway being laid, direct access has now been made from 75m wide Sector dividing road in addition to existing village / 24m road, internal road width increased, proposal for realignment of HT line has been initiated, commercial and nursery school provided, there is drastic betterment has been proposed, thus, revision in the plan kindly be considered with positivity and consent be accorded.
