From,

Prof. Vijyant Agarwal (Allottee / Objector)

Unit No. 3051, Tower No. 03, Type-D, ATS Grandstand Phase-I, [Sector 99A, Gurugram](#)

Subject: Post-hearing representation on MOM dated 18.06.2026 — conditional consent on revised building plan (Memo ZP-938-II/SD(RD)/2026/15567 dated 04.05.2026)

माननीय महोदया,

The undersigned submits that in the STP hearing on 18.06.2026, by mistake, the circulated MOM has omitted certain points which were agreed upon by the Builder's representatives at the meeting. This representation seeks to place those agreed matters on record.

1. The undersigned attended the STP hearing on 18.06.2026 on the revised building plan. The colonizer emailed the revised plan materials and comparative chart to the undersigned by email dated 30.05.2026; disclosure is accepted. Your office circulated the MOM on 19.06.2026. This representation is without prejudice to pending HARERA execution and COD matters.

2. In the meeting, the Builder's representatives agreed to obey the HARERA order — furnishing an affidavit-cum-undertaking specific to Unit No., with the general affidavit dated 08.06.2026.

3. From the enclosed colonizer's comparative chart (D3_Comparative_Chart.docx) emailed to the undersigned by the Builder on 30.05.2026: main units increase from 522 to 734; ECS parking reduces from 999 to 957; open/green area reduces from 14,345.86 sqm to 10,934.25 sqm; FAR/built intensity increases. This affects proportionate rights in common areas. These are substantive concerns only — not on non-supply of documents.

4. The MOM wrongly records that allottees were satisfied. For Unit No. 3051, this is incorrect. Intimation and receipt of documents are accepted.

5. Prayer.

It is respectfully prayed that your good office may kindly take this representation on record on the revised building plan file, re-circulate a corrected or supplementary MOM on the STP hearing dated 18.06.2026, incorporating Supplement to MOM Item 3 as at 1 below, and mark on the revised building plan file as at 2 below:

1. The Builder's representatives agreed to comply with the HARERA order and to furnish an affidavit-cum-undertaking specific to Unit No. 3051, with the general joint affidavit dated 08.06.2026 tendered before DTCP.

2. The allottee of Unit No. 3051, Tower No. 03, ATS Grandstand Phase-I, [Sector 99A, Gurugram](#), is withholding consent at present to the revised building plan on FAR, density, parking, and green area. If the Builder complies with the HARERA order and furnishes an affidavit-cum-undertaking specific to Unit No. 3051, with the general affidavit dated 08.06.2026, the allottee will give consent on FAR, density, parking, and green area, subject to the precondition that the allottee reserves the right to adequate and proportionate compensation for prejudice caused by those planning changes.

6. Enclosures (copies enclosed)
