Case History: An application regarding Continuation of registration of Group housing colony namely "ATS Grandstand Phase I" situated at Sector-99A, Gurugram, Haryana being developed by M/s Homekraft Infra Pvt. Ltd. was submitted on 21.04.2026 under section 7(3) of Real Estate (Regulation and Development), Act 2016. This application pertains to License No. 37 of 2013 dated 03.06.2013, granted for development of a residential group housing colony over an area measuring 11.5875 acres situated at Sector-99A, Gurugram. The project namely "ATS Grandstand Phase-1" was registered with the Interim RERA, Gurugram vide Registration No. 06 of 2018 dated 02.01.2018 for an area measuring 2.62 acres out of the total licensed land measuring 11.5875 acres. The registration was valid up to 28.11.2022 (i.e., Environmental Clearance dated 29.05.2014 + 8 years as per the Registration Certificate + 6 months COVID-19 extension). Thereafter, the Department of Town and Country Planning, Haryana granted in-principal approval of the revised building plans for the group housing colony over the entire licensed area measuring 11.5875 acres vide memo no. ZP-938/SD(DK)/2022/18547 dated 01.07.2022. Subsequently, the promoter, M/s ATS Realworth Pvt. Ltd. had submitted an application dated 26.08.2022 seeking extension of registration under Section 6 of the Real Estate (Regulation and Development) Act, 2016 which had been permitted for withdrawal vide proceeding dated 12.10.2022. As per proceedings dated 12.10.2022, iterated as: <i>The promoter submitted that the project could not be completed within one year from the validity period of the original registration certificate and requested</i>		

extension up to November 2027 for completion of the project. The Authorized Representative further informed that an application under Section 7(3) of the Act had already been submitted on 29.09.2022. Accordingly, the Authority directed the office to examine the matter and fix the same for hearing. Meanwhile, the application under Section 6 was permitted to be withdrawn subject to forfeiture of the processing fee, and the matter was disposed of accordingly.

Thereafter, the promoter had submitted an application dated 29.09.2022 seeking permission to continue the registration of the project "ATS Grandstand Phase-1" up to 27.11.2028 which had been returned with directions to file a fresh application after obtaining all requisite approvals vide proceeding dated 15.09.2025.

As per proceedings dated 15.09.2025, iterated as:

The promoter submitted that the licensee, namely M/s Hasta Infrastructure Pvt. Ltd., was in the process of changing the existing developer from M/s ATS Realworth Pvt. Ltd. to M/s Homekraft Infra Pvt. Ltd., and that an application for grant of Building Plan/Building Intimation Permission (BIP) in favour of M/s Homekraft Infra Pvt. Ltd. had already been submitted before DTCP, Haryana. It was further submitted that the promoter had availed the benefit of TOD policy and obtained in-principle approval of revised building plans, whereas the final approval was still awaited. The promoter further submitted that an application seeking permission for development of the project in phases, without affecting the already registered Phase-1 measuring 2.62 acres, had also been filed before DTCP, Haryana. The Authorized Representative sought further time for obtaining the requisite approvals and requested issuance of an amended registration certificate.

However, it was observed that the application had remained pending before the Authority since 20.09.2022 and despite grant of twelve opportunities, the promoter failed to rectify the deficiencies in the application, including submission of consent from two-thirds allottees, approval of revised building plans, and BIP in favour of the applicant i.e., M/s ATS Realworth Pvt. Ltd. Further, a show cause notice dated 13.08.2025 proposing rejection of the application seeking continuation of registration was issued to the promoter, with an opportunity of hearing on 15.09.2025.

In view of the above, the application dated 20.09.2022 submitted by the promoter was returned with directions to file a fresh application after obtaining all requisite approvals. The processing fee amounting to Rs. 2,89,230/- was forfeited, while the remaining fee was ordered to be adjusted against any fresh application to be submitted by the promoter.

Now, the promoter has again applied for continuation of registration under Section 7(3) of the Act, 2016 in respect of the area measuring 2.62 acres registered with the Authority vide RC No. 06 of 2018 dated 02.01.2018.

The application for continuation of registration was scrutinized and 1st deficiency notice vide notice no. RC/HARERA/GGM/EPIN/7(3)/175 dated 14.05.2026 was issued

to the promoter with an opportunity of being heard on 18.05.2026. A show cause notice for violation of Section 4(2)(I)(C) has also been issued to the promoter vide notice no. HARERA/GGM/EPIN/7(3)175 (Show cause) dated 14.05.2026.

Further, on 06.05.2026, the promoter has given the public notice in three newspapers, two English, "The Tribune" & "The Times of India" and one Hindi, "Navbharat Times" dated 06.05.2026. Objections to be filed till 15.05.2026.

An email was received by Sh. Vijay Prashar dated 06.07.2026 stating the following:

- The allottees, Sh. Vijay Prasher and others, are residents of Janak Puri, New Delhi, and are allottee(s) of Unit No. 2021, Tower-2, 2nd Floor, in the Group Housing Project "ATS Grandstand, Phase-I", Sector 99-A, Gurugram, having a carpet area of 1,011 sq. ft. along with two car parking spaces.

- They participated in the STP hearing held on 18.06.2026 concerning compliance with Condition (vii) of the proposed revised building plan, which had received in-principle approval vide Directorate Memo No. ZP938-II/SD(RD)/2026/15567 dated 04.05.2026 wherein it was specifically clarified that their participation in the said hearing should not be treated as consent, acquiescence, waiver or acceptance of either the proposed revised building plan or the proposed change of promoter.
- They also referred to the Amended Minutes of Meeting dated 18.06.2026, received through email dated 24.06.2026, and the response submitted by the colonizer on 24.06.2026 to their objections dated 21.06.2026.
- According to the allottees, the colonizer's reply dated 24.06.2026 was unsatisfactory, hypothetical and unsupported by sufficient documentary evidence. Further, they contend that the proposed changes are contrary to and prejudicial to their contractual and statutory rights as allottees and, therefore, the colonizer's response is not acceptable or tenable.
- The allottees state that their objections continue to subsist and have submitted detailed objections in response to the colonizer's reply dated 24.06.2026.
- **Prayer:** It was further requested that the present representation, along with their earlier representations and objections, be taken on record in the file pertaining to the proposed revised building plan bearing Memo No. ZP-938-II/SD(RD)/2026/15567 dated 04.05.2026. They further requested that their objections be duly considered, and that the promoter be directed to construct the project in accordance with the earlier sanctioned Building Plan and Layout Plan prevailing at the time of allotment of their unit.
- The allottees also sought directions to the landowner/promoter to make proper disclosure and furnish all relevant documents, details and information concerning the proposed revisions, so as to enable them to properly understand, examine and assess the implications of the proposed changes.

They also sought appropriate restraint against the landowner/promoter from creating any third-party rights, revising the building plans, altering the common areas or modifying the project specifications.
- The allottees requested that no permission for revision of the Building Plan be granted until their objections had been duly considered and resolved, and that the proposed revised Building Plan, in its present form, be rejected. They further contended that final approval for the proposed revision ought not to be granted without obtaining their prior written consent.
- The allottees reserved their right to seek appropriate and proportionate compensation and other consequential reliefs in the event of any violation or deviation from the earlier approved/sanctioned Building Plan prevailing at the time of allotment. They further requested that ATS Realworth Pvt. Ltd., Hasta Infrastructure Pvt. Ltd. and Homekraft Infra Pvt.
