Introduction

By order dated 18.04.2024 (Complaint 4463/2021), HARERA has directed the promoter/builder to pay pre-EMI directly to PNBHFL. The relevant order dated 08.08.2024 is enclosed at Encl.3. The relevant operating part of the order is in the last page of this order. As per the builder's pre-EMI letter dated 23.10.2018 at Encl.2, pre-EMI is payable till the offer of possession is made by the developer to the buyer. Execution proceedings in respect of the order dated 18.04.2024 are pending before HARERA, Gurugram.

Per the statement of account dated 22.06.2026 at Encl.1, PNBHFL's records reflect Subvention: Yes for Loan A/c HOU/GUR/0918/578047. The promoter has, by email dated 18.06.2026, requested me to share loan/bank account details of the lending institution for compliance with the HARERA order and for remitting pre-EMI directly to PNBHFL (copy at Encl.4).

1. Request

I request PNBHFL's written guidance on the following:

- A) Procedure for a third party (builder/promoter) to remit pre-EMI into Loan A/c HOU/GUR/0918/578047;
- B) Documents required from the borrower and builder before PNBHFL will accept such credits; and
- C) Mode of payment (NEFT / RTGS / cheque / ECS) for third-party (builder) pre-EMI credits into the aforesaid loan account.

So, in this regard, I seek the Bank's own procedure and document checklist in writing.

2. Prayer

It is respectfully requested that PNBHFL may kindly provide the procedure and document checklist as above, in writing, as soon as possible.

3. Enclosures

Encl.1 Copy of first page of statement of account dated 22.06.2026 (Loan A/c HOU/GUR/0918/578047; Subvention: Yes).

Encl.2 Copy of builder's pre-EMI letter dated 23.10.2018.

Encl.3 Copy of HARERA order dated 08.08.2024 (relevant operating part on last page).

Encl.4 Copy of promoter email dated 18.06.2026 requesting loan account details for compliance with HARERA order dated 18.04.2024 and direct pre-EMI remittance to Loan A/c HOU/GUR/0918/578047.

Thanking you,

From,
Prof. Vijyant Agarwal
