Gurgaon Branch

Dear Sir/Madam,

I wish to inform you that I am due to retire from service in **January' 2035**. However, the present loan amortization schedule shows the instalment end date as **10 August 2039**.

I therefore request you to kindly:

1. Reduce the remaining loan tenure so that the loan is fully repaid on or before **June 2035**.
2. Recalculate the EMI based on the reduced tenure .
3. Provide a fresh repayment schedule clearly showing the revised EMI.
4. Reduce the interest rates as per the prevailing market rates as it is floating one.

Kindly process my request at the earliest and confirm the revised EMI and repayment schedule in writing.

Thanks and regards,

Vijyant AgarwalLoan A/c: **HOU/GUR/0918/578047**Contact No.: **9899308574**Email: prof.vijyant.agarwal@gmail.com**repaymentScheduleCert.pdf**
