Gurgaon Branch**Subject: Request for EMI breakup and reduction in interest rate – Loan A/c HOU/GUR/0918/578047**

Dear Sir/Madam,

I request you to provide the detailed breakup of my monthly EMI of **₹32,139**, clearly showing the principal and interest components being deducted.

The current interest rate on my housing loan is **12.35% per annum**, which is considerably higher than the prevailing market rates. I therefore request you to review and reduce the interest rate to the applicable competitive rate at the earliest.

Kindly inform me of the revised interest rate, EMI/tenure and any applicable conversion charges.

Thanks and regards.
